TITLE : PORTABLE TELEPHONE SET

ABSTRACT : PROBLEM TO BE SOLVED: To enhance the visibility of a display section and the operability of a key operation section of the portable telephone set that has a recording and reproducing function.

SOLUTION: Operation keys relating to a sound recording function are placed on a 2nd side opposite to a 1st side of a telephone set case 1 on which a speaker 4 and a microphone 6 are placed in the portable telephone set having a recording and reproducing function. Moreover, on the 1st side of the telephone set case 1 the speaker 4 is placed to an upper part, a removable battery 5 is placed in the middle, and the microphone 6 is placed to the lower part; and on the 2nd side a display section 2 is placed to an upper part of and a key operation section 3 including a call key, a speech end key, a dial key and operation keys relating to the recording and reproducing function is placed on a lower part.
